New Business

E-mail sent to some of the club members pertaining to a special event station at the Catfish Festival. The number one thing to have a healthy club is to have fun. Joe felt if we had a special event station and get people to operate it would generate some fun. Bill, W1KFR is going to contact the lady heading up the Catfish Festival (labor day weekend). Tim, AA4SS volunteered to work at the festival.

Joe, K9FUI polled the club members as to whether or not they had anything they would like to see presented at a club meeting.

APRS, more socials, eating after the meetings, etc. Please e-mail any ideas/suggestions to Joe, K9FUI at jbezy@tds.net.

Next meeting – August 6, 2006 to be held at Howard Peeples Park, number 1 pavillion at 2:00 p.m.. Burgers and Hot Dogs to eat and then a fox hunt to be held after.

Tim, AA4SS encouraged everyone to upgrade. If you already hold a general class license or above he encouraged people to become VE's.

Tom distributed some emergency lights.

AA4SS is net control for the month of July.

50/50 drawing was held. W6NY was drawn, but not present. (\$25.00 total)
