VE's. The group is looking for additional VE's for the sessions. Chuck, N4TIS said that he is already a VE and would help with the sessions.

New Business

Rebecca Ross with the betterment committee has played a vicious game of phone tag with Joe. Seems to be a one way game of tag. Joe has decided to drop the idea of operating at the Catfish Festival due to the lack of organization. Joe, K9FUI said we should concentrate on JOTA (Jamboree on the Air). Joe will find out the date and notify club members.

Jim Steele at KBAY at one point in time was interested in becoming a ham. He may be a good contact. The WECC people may be interested as well.

KE4OJU suggested putting something in the college library.

K9FUI, Joe encouraged people to read the leadership information on the ARRL web-page in order to get a club organized.

Next meeting – September 10, 2006 (Moving meeting from 9/3 to 9/10 was voted on and passed) to be held at the Gross Road fire station at 3:00 p.m..

Tom, K4TMN planed a fox in the park. It sends morse code and ID's for a minute and then shuts down for a minute. Anyone who finds it there are some orange post-it note book markers. Tear it off. They get two of any item for prizes (LED flashlight, led badge, shake flashlights, stickers for vehicle). Anyone after that gets one until prizes run out. Thank you to Tom for putting this
