Old Business.

- Continue awaiting field day results. Hoping for results by November meeting.
- Picnic – JOTA (Jamboree on the Air, 50th anniversary) October 20 and 21.
 - WA4GWB, George will take the lead working with the scouts and K4QHR, Pete will assist.
 - George, WA4GWB and Joe went out to Crooked River to discuss this event. There is a shelter house as you go into the campground on the left. It has electricity, but no bathrooms. Bathrooms are a short distance away. We are welcome to set up a station under the canopy along with a screened in tent. The scouts will be camping in the primitive camp area. The scoutmaster would send scouts out in groups/taking turns coming up and getting on the radio. We will need to set up Friday night, go all day Saturday, Saturday evening, and Sunday morning until the scouts leave.
 - We are currently in search of HF gear to use at the event. Joe Perry may have a rig we can use as well as George, WA4GWB.
 - Tri-Bander – For this event it has been decided to use wire antennas in the trees rather than the tri-bander. Glenn, KD4ULB has a B&W antenna, there may also be other antennas available. John, K9OF offered the use of a Carolina Windham antenna.
 - Confirmation received that K4B as a special event call for both this event has been received.
 - This continues to be an opportunity for a picnic (pot-luck).
 - K4TMN will be organizing a fox-hunt.
 - If you would like to camp, come out, get a campsite and set up.

- Wrap up discussion to be completed at Cracker Barrel next Saturday morning.

- AA4ES suggested that the VE team re-group based on the cancellation of this weeks session. There are additional people getting certified. WA4GWB, K4TMN, AA4ES, AA4BZ, AA4SS, KD1Q, K4QHR, KE4KAK is completing his paperwork and N3EAY is also completing the process. George, WA4GWB suggested setting up a calendar for the year so people can make plans.

- CHECK – Need a check cut to the state park for JOTA.
