K4EHI  
K4QHR  
KE4JTI  
K9OF  
KI4ODA  
KE4KAK

Treasurers Report:

KD1Q sent a treasurers report to Tom K4TMN. No activity since checks paid out in December and one to a VEC.

1249.17 is the current balance.

Old Business.

Picnic in April. A pavilion has been reserved for Saturday April 26<sup>th</sup> at Howard Peeples park and this picnic will take the place of the May meeting. The pavillion is reserved from 11 a.m. to 4 p.m.. The club plans to have a fox hunt during the meeting.. This fox hunt may be a mobile fox hunt. Pete is going to be the central point of contact to coordinate the food. Shane is going to set up a smoker. Glenn will also bring his grill (Tom to provide transportation for the grill). We discovered at the meeting that this date conflicts with the Woodbine Crawfish Festival. The club didn't see where this would be an issue.)

Dues – Don't forget that it's that time for dues. Please pass these along to KD1Q. A roster is needed to see how many folks did not re-join. We can then decide if it would be beneficial to send out notices.

Breakfasts continue to go well. Please contact N3EAY on 147.195 prior to 8:45 if you plan to attend.

Field Day – A field day location was discussed. A motion was made by WA4GWB that field day be held at same location as last year. The motion was seconded and passed.

Toby volunteered to coordinate field day. He needs to put together a team to assist.

Glenn, KD4ULB will assist.

George, WA4GWB will contact Joe, AA4BZ and coordinate getting antenna repaired.

.

### New Business

Yesterday we had a testing session with an upgrade – Jim Ferguson KE4OJU upgraded to general class. The testing sessions continue to be held at the county Annex building on the first Saturday of the month at 5:30 p.m.. Rumor has it that NCARS has ceased having testing session. WD8LQT notified the ARRL of our test session to update the ARRL website.

A special event station was discussed.

KI4FMV offered to do the net for the month of March.

New repeater on 147.195 Mhz. K4QHR has a power supply that he is willing to let the county use to test the Motorola repeater with.

The 50/50 drawing was held and was drawn and KI4FMV was drawn. Kenneth won 34.50 but he owed WD8LQT \$1.00 so he only got \$33.50.

Respectfully submitted

WD8LQT, Secretary
