Old Business

Field Day – Update on field day. Glenn W4ULB and George WA4GWB will be surveying the site this week to get some early particulars. Glenn is working to set up a network for logging. The plan is to get written permission from the shopping center. There will also be a test session given on field day weekend. A back-up plan may include the field across from the bank at WalMart and also the PSA field where the Relay for Life is held. William Brunson is the director of the PSA. Last backup choice is crooked River.

New Business

QSL cards for the past special event in Folkston will need to be printed. The group decided to use the picture of the group with the train in the background. Chuck, N4TIS was going to work on this.

Storage – Glenn, W4ULB is going to research storage this week. He was going to research the cost as well as offer free advertising for them on our website if they will cut us a break on our cost. Andy, AA4XS is also looking into available buildings in the county where we might get some space. A motion was made that Glenn and George secure a space at not over 65.00 per month. Motion passed.

Net Control

Pete, K4QHR suggested moving the Sunday night net to Tuesday night. Discussion was dropped.

AA4XS volunteered to call the net.

Presentations

Thurston spoke to the group on impedance and admittance.

50/50 drawing

Our new member Pat won the 50/50 drawing. Pat rolled the money over as a donation to the club. (\$19.00 rolled over).

Door Prize

Andy, AA4XS won a CCARS hat.

Quarterly Eating Meeting

Pete, K4QHR is going to check on an eating place for this meeting. We will schedule the meeting for Saturday the 11th of July.
