Treasurers Report:

As of 4/30/2009 the balance was 1631.95. Since this date there have been several transactions that have not cleared yet. The operational balance is 1,489.95.

Old Business

Field Day – Stafford properties never acknowledged any of our contacts per using the Kmart parking lot. This included letters, emails, and phone calls. We have now secured a location at the visitors center at exit 1. The only thing we can't do is sell food and drinks and impede traffic flow. John Carrass is to call Terry at the health department to see about borrowing their tents like we used last year. George has sent off for ARRL info to be handed out (about 100 of each hand-out). Glenn, KD4ULB is in charge of food and Thurston W6NY will assist.

Trailers – Tom, K4TMN and Tim, AA4SS. Tom will pick up Tim’s trailer and deliver to the location.

Generators – Tom K4TMN, Tim AA4SS, and Rob N3EAY. We may also be able to use Bill’s (KD1Q).

We also need volunteer operators.

Rigs – W6NY will bring a 706, N3EAY will bring a 706, K4QHR volunteered his 950 and George volunteered his 7000.

KA7SQD – Mike needs to be contacted to set up the P.R. for the event.

If there is anything you would like to volunteer for, please email George.

T-Shirts – Andy AA4XS has ordered some field day t-shirts. They are 12.95 each. Email Andy no later than Wednesday June 10, 2009.

There will also be a testing session on field day. Location to be determined at event.

We will be using the club call of KB4CC.

The club approved \$100.00 for food at field day.

The club approved \$200.00 for fuel at field day.

QSL Cards

N4TIS was not available at the meeting to discuss the QSL cards. QSL cards for the past special event in Folkston will need to be printed. The group decided to use the picture of the group with the train in the background. Chuck, N4TIS was going to work on this.

Storage

N4TIS secured an 8x10 for storage. Details to be given later. (Storage – Glenn, W4ULB is going to research storage this week. He was going to research the cost as well as offer free advertising for them on our website if they will cut us a break on our cost. Andy, AA4XS is also looking into available buildings in the county where we might get some space. A motion was made that Glenn and George secure a space at not over 65.00 per month. Motion passed.)

New Business

Special Event Station

KD4ULB and WA4GWB are looking into having a special event station to commemorate the annual submarine veterans memorial. The date is in September or November. The club is looking for a location.

Eating meeting on July 11, 2009

The eating meeting will be held at the Royal Buffet.
