Business of the Club:

W4ULB – nets have been dwindling.

W4ULB – CCARS Website has been updated.

WA4GWB reminded us that we will be having a boot camp 08:00 12-5-09. AA4ES, K4TMN, AA4SS, volunteered to help. We should have a second boot camp.

WA4GWB announced that we will have a DX pedition in February to Cumberland Island. WA4GWB & N3EAY will be doing a site survey. More to follow.

WA4GWB announced that we have acquired a storage area. We are paying \$220 annually for this facility. WA4GWB & N3EAY donated the first years lease fees. Donations are accepted to disperse the expense. The nick-name for the storage area is AREA 51.

We have to contact Bill Clark to get a list of equipment for the three year hold requirement. This will be followed up by the officers.

W4ULB suggested that we can sell the fiber-optic converters to benefit the club. As no negative opinions were voiced, it was agreed to do so pending confirmation that they are not on the three year list.
